### COVID-19 Notice

Due to the continued concern regarding Covid-19, the Atascosa Central Appraisal District will continue with our modified appeal process to ensure the safety and wellbeing of our community and staff. **We will not be holding in-person informal meetings this year.** You may contact our office by phone or email to discuss your property valuation over the phone.

If you file a formal protest, please include your contact information, a daytime phone number and/or email address, on the protest form. Every property receiving a value notice this year will have the option of filing an online protest or submitting a paper protest form. ***Please do not do both.*** Protests that are not filed online may be submitted by mail, email, in our lobby or the secured drop box outside the front door of our office.

**Currently, property owners will have the option of having a hearing by telephone, mail-in affidavit or Zoom. All in-person hearings requested will be held at a later date. Please mark your preference on the protest form. If you request a phone or Zoom hearing, please be aware that any evidence you wish to present must be submitted by sworn affidavit prior to your hearing. *If you would like a Zoom hearing, please write your request on the protest form in bold letters.* The forms are available on our website at [www.atascosacad.com](http://www.atascosacad.com).**

***Again, if you request/require an in-person hearing, your hearing will be scheduled at a later date.***

We appreciate your continued cooperation and understanding. We will ensure that all property owners have an opportunity to receive due process while we comply with all health and safety guidelines.
